20 Long-Distance Conversation Starters

1. What made you think of me today?
2. What's the smallest thing you miss about being near me?
3. What did your day actually look like, hour by hour?
4. What's something funny that happened that I missed?
5. What's a fear about us you haven't said out loud?
6. When do you feel most loved by me, even from far away?
7. What do you need more of from me while we're apart?
8. What's the hardest part of distance for you, honestly?
9. Where do you want to wake up together first?
10. What's the number-one thing you want when we finally live in the same place?
11. What tradition should be ours once we're together?
12. What does 'closing the distance' realistically look like for us?
13. What's the first thing you'll do when you see me at the airport?
14. What outfit do you want me wearing when we reunite?
15. What's a memory of us that still gives you butterflies?
16. What's the most attractive thing I do over video call?
17. What's the very first meal we share when we're together?
18. Who do you want to introduce me to first?
19. What's on your must-do list for our next visit?
20. What movie or show are we saving to watch together?

5 'Open When...' Letter Ideas

A taste of the 20 in the full Long-Distance Relationship Kit.

Open when you miss me

Remind them of a favorite memory and exactly what you love about them.

Open when you can't sleep

A calm, soothing note - pretend you're lying next to them.

Open when you're stressed

Three things you admire about how they handle hard things.

Open when you're sad

Permission to feel it, plus every reason this is temporary.

Open when you need a laugh

An inside joke, a silly drawing, a ridiculous memory.
